

Four Hands Pizza Bar & Grill Group Function Terms & Conditions

Number of guests

Groups of 10 or more will be accommodated in function arrangement, with set menu. Groups are required to make a selection from our group menu options. The maximum number of guests we are able to accommodate in a single dinner group depends on the time, date and other restaurant loading. Groups above 20 may require some discussion to make sure your expectations can be met. You can request a call back on this topic by emailing enquiries@4handspizza.com.au

Deposit Payment

30% deposit will be required to secure the booking. The deposit will be fully refundable if 7 days' notice is given prior to the event. Your tentative booking may be held for a few days but will only be guaranteed once your 30% deposit is paid in full.

Changes to guest numbers

If guest numbers increase on the day, and we are able to accommodate them, the additional per head menu cost will apply.

Menu Selections

Group function menu selections are required at least 3 business days prior to the event. See page 2 for details.

Final Confirmation of Guest Numbers

Final guest numbers are to be confirmed 2 days prior to your booking. If we don't hear anything back on the final numbers it will be assumed no change and you will be responsible for the per head cost of the original number booked.

Function Booking Times

Our group function times are to be strictly held. The food will start coming to tables at the agreed booking time (unless there has been prior arrangement agreed with management). We may not be able to wait for late arriving guests, especially on busy Friday and Saturday nights. It is imperative that your group arrives on time and that your table is ready to be cleared with bill paid at the agreed finish time where one has been specified (strictly applies to early sitting on Friday and Saturday nights where we have second booking on the tables).

Final Account

The final account will be settled on the night. This will consist of the final confirmed numbers (plus any additional guests) along with beverages. The amount of deposit already paid will be deducted from the final bill.

Please note there will be one account for the table with no split bills. We recommend that you let your guests know to bring cash if you wish to be sharing costs among multiple couple / groups / families.

Beverage & Liquor Service

Four Hands Pizza Bar & Grill is fully licensed. No BYO allowed. There is no over the bar service, guests cannot pay for their drinks as they go. You may wish to have pre-ordered bottled wine / champagne / soft drink jugs ready for your arrival – talk to us in advance about this.
